The applicant, Hard-In Productions LLC, is requesting a Temporary Use Permit to allow a one (1) weekend event on April 22-24, 2016, to be held at the 4.9-acre Three Rivers Hideaway campground located at 43365 Sierra Drive, in Three Rivers. The outdoor event, "Earth Jam," will offer live bands (rock and country music), dancers, and speakers. An estimated 300 people per day will attend. Operating hours will be 3:00PM-10:30PM on Friday, 11:00AM-11:00PM on Saturday and 12:00PM-9:30PM on Sunday. As a condition of approval, no amplified music will be allowed after 10:00PM or before 10:00AM and sound levels shall not exceed 65dB at the property lines. Parking for 250 cars is provided at the nearby Three Rivers Memorial Building and Presbyterian Church; shuttle vans will transport attendees to the event. Twenty ADA parking spaces will be provided on site. No parking will be allowed on State Highway 198. Caltrans requires a traffic management plan, including signs. No camping will be permitted, except at the Hideaway campground. Security guards will be hired to patrol the event site and parking areas during the event and overnight. If weather prevents an outdoor event, it will be moved to the Memorial Building.

Written comments on this application, PSP 15-058, will be received for at least ten (10) working days from the date the notice was mailed, or until January 22, 2016 after which time the Director will issue a written decision. When submitting written comments, please refer to the case number and address them to April Hill, Planner III, Tulare County Resource Management Agency, 5961 South Mooney Blvd., Visalia, CA 93277-9394. In addition, the event will be posted on a Three Rivers website.

If you are dissatisfied with the decision, you may appeal it to the Board of Supervisors.
