The Tulare County Peace Officers' Memorial and Education Foundation is in the process of raising funds for the beatification and enhancement of the current Tulare County Peace Officers' Memorial. This memorial honors the fallen peace officers of Tulare County. The new enhancement includes a large water feature, new landscaping and personalized brick pavers.

By purchasing a brick paver with a personalized message of your choice, your purchase will ensure the Memorial's enhancement project continues to move forward. Purchasing of the brick pavers is open to everyone and is sponsored by the Tulare County Peace Officers' Memorial & Education Foundation. All brick purchases are subject to content screening.
